

WORLD CANCER DAY CELEBRATION

Vinayaka Mission's College of Nursing, Karaikal has conducted **World Cancer day 2017** programme on 17/02/2017 at 10.00 am in V.O.Chidambaram Government Higher secondary school, Karaikal. Department of Medical Surgical Nursing organized the programme. The Programme was inaugurated by Mr. Subramanian, Deputy Director of secondary education, Karaikal. Students from 8th Std to 12th Std have actively participated in the programme. Health education was given through charts, models and LCD presentation regarding causes, clinical features, diagnostic evaluation, prevention and management of cancer by our B.Sc., (N) III year & GNM II year students. The principal Dr.K.Kamala Ph.D (N) and vice Principal Prof.R.Joseph Hermaline have given their valuable guidance in successful conduction of the programme. The programme was ended at 1.00 pm with evaluation report by the participants.
