

Journal Club

A Journal Club was conducted on 22nd August, 2014 in Vinayaka Mission's College of Nursing, Karaikal. Mr. P. Jagadheeswaran M.Sc. (N), Lecturer in the Psychiatric Nursing Department presented a paper on "Cyber Disorder", which included pre-occupation with internet, increasing anxiety when off-line, hiding or lying about extent of online use and impairment to real life functioning. The topic was reinforced with statistics and the types and effects of cyber disorders. At the end of the session the participants discussed and clarified their doubts. Overall, the presentation was carried out effectively.
