

“MASS HEALTH EDUCATION PROGRAMME ON WORLD DIABETIC DAY ”

“Mass Health Education Programme on Prevention of Diabetes Mellitus” was conducted on 14.11.2013 by M.Sc (N) I year and B.Sc (N) final year students of Vinayaka Missions College of Nursing, Karaikal. The Principal, Prof. K. Kamala., M.Sc (Nursing)., Ph.D. was the programme guide. Mrs. R. Joseph Hermalin, Vice Principal cum Community Dept. H.O.D. felicitated the programme. Mrs. P. Santhi was the organizer. The students described the illness, its incidence, causes, clinical manifestation, diagnostic evaluation, exercises, preventive measures and foot care by using proper charts and video presentation. The event was marked by preparation, display and distribution of special foods for the diabetic clients by the students.
