

WORLD HEART DAY CELEBRATION

Vinayaka Mission's College of Nursing, Karaikal conducted World Heart Day 2014 Programme on 12/11/2014 in VMMCH&H OPD. Department of Medical Surgical Nursing organized the programme efficiently. This programme was inaugurated by Chief Guest Dr. Mohammad John M.S., Assistant Professor, VMMC&H. Patients who have attended OPD were gathered and health education was given through posters and models about Heart Healthy Environment and successful steps to prevent various heart problems. B.Sc., (N) II year students have actively participated in this programme. Our Principal Dr. K.Kamala, Ph.D(N), Vice Principal Prof. R. Joseph Hermaline have guided for successful conduction of the programme. The celebration was concluded with evaluation report by the participants.
